To All Sale Enthusiasts,

We are as enthusiastic as ever to be having the 2nd Girls Gone Wild Female, and now Bull Sale. This group of females is as powerful as you can find anywhere, and the bulls will certainly add excitement! We have again covered the nation searching for the cattle you need. Not to mention this is the best set of farm-raised cattle we have offered in some time.

Many of these cattle have donor and A.I. sire potential to take your program to the next level. These cattle are genetically inclined to add value to your program, whether it is selling your own show cattle, semen, or flushes/embryos. Again, the bred heifers are coming from the center of our programs. We feel there are several donor cow candidates being made available to you.

Many thanks go out to the families who exhibited our cattle this past season. It is your hard work and dedication that has resulted in the "winningest" season ever for our programs. Out of last year's crop came National Champions, numerous State Fair winners, and an uncountable number of County Fair successes! Again, we thank and congratulate you. Also, to our crews that help all the time, we owe you more than the monetary value you receive, THANK YOU!

To the new customers attending your first GIRLS GONE WILD SALE, we are happy to have you. We believe in service after the sale in any way we can. After all, from winning the smallest of trophies to the biggest of banners, YOUR DREAMS ARE OURS. Lets make them come true!

Girls Gone Wild

HOTEL ACCOMMODATIONS . . .

Econo Lodge 319-363-8888
Fairfield Inn 319-364-2000
Clarion Hotel 319-366-8671

SALE LOCATION . . .

Kirkwood Community College Tippie Beef Center, Cedar Rapids, Iowa. From I-380, Exit 13 Airport Exit, go 1/2 mile east to the stop sign, then 1 mile north to the stop sign on Kirkwood Blvd, then 1/2 mile east on 76th Avenue SW

TERMS . . .

All open heifers are sold as is with no implied guarantees of quality, fertility or disposition. All bred females are guaranteed bred at the time of the sale. Bull fertility guarantee will follow the guidelines set forth by the AMAA. No cattle are guaranteed to be sold free of genetic defect related to TH and PHA unless otherwise stated. All cattle are to be paid in full during or immediately after the sale. Cattle will not be loaded until payment is completed. A supplement sheet will be provided sale day. Announcements made from the block will take precedence over all printed materials. Insurance will be available at the clerk's desk.

BULLS

3 powerful herd bulls ready to cover your girls

lot 100 Organized Chaos

DOB: 3/2/07 Black Polled

MONEY TALKS

BHCS HEAT SEEKER 23

TERP COW 138

FULL FLUSH
POWER PLANT

ANGUS

This bull is truly unique. Massive bodied, a hip and lower quarter that are twice the size of most, all while being super sound. His combination of power, look and structural soundness will be unequalled all season. No doubt Organized Chaos will be one of the top Crossbred bulls of the "08" crop.

lot 101 K&A Topshelf 13T

DOB: 4/25/07 Black Polled PB Maine

K&A NAUTICA 47N

EBB STRICTLY BUSINESS

K&A CARLY F602

K&A SALLY F601
K&A AMTRAK A35

K&A CARLEEN A114

This young herdsire will make his mark soon! You can search a long time to find a purebred GENETICALLY CLEAN Maine Anjou bull and not find anything close to Topshelf. This bull is freak necked, has a huge butt and is tree trunk legged. . . all while being sound moving. Did we mention his 72 lb birth weight? This bull's impact will be felt for years to come.
- K&A Farm -

lot 102

CP Chic Magnet

DOB: 3/22/07 PB Maine

SIRE: 3C MACHO

DAM: CHILL FACTOR X ANCHOR

Can you say momma maker?? Bred to be an absolute maternal machine, this bull is still stout in his muscle and bone makeup and structurally covered. This bull is for real! His dam you have to see to believe. *Invest in this bull, don't just buy him.* Raised by Sambar.

- Paulsen Cattle Co. -

Congratulations ...
